APPOMATTOX, VIRGINIA

A LIVE WEEKLY NEWSPAPER AT HISTORIC APPOMATTOX COURT HOUSE VIRGINIA

APPOMATTOX (VA.), 24522 - TIMES-VIRGINIAN, NOVEMBER 23, 1972 10¢ SINGLE COPY

New Sears Store Opens

Mrs. Calvin H. Robinson, center, Vice-Mayor for the Town of Appomattox, cut the ribbon and officially opened the new Sears Catalog Store in the Triangle Plaza Shopping Center on Thursday morning, November 16th. Pictured with Mrs. Robinson above are Mrs. James Perry Duncan, on the left, and Mr. Duncan, on the right, who have been appointed Sales Merchants for the local Catalog Store.

Prior to the ribbon-cutting, the Rev. Henry Riley, pastor of Memorial United Methodist Church, opened the ceremonies with a prayer.

As Vice-Mayor of Appomattox, Mrs. Robinson said, "I salute this new business. Let's keep Appomattox growing. In mutual cooperation, Appomattox will prosper. It is a privilege to declare this new store open for business and as a token of its opening, we clip this ribbon."

BIKE-A-THON BIG SUCCESS

The Appomattox County Unit of the American Cancer Society announced Monday that $438.75 has been turned in from pledges on the recent Bike-A-Thon held in Appomattox.

This is not the final total, as funds are still coming in from both individual and club sponsors.

The Bike-A-Thon was a new conception for helping areas raise funds for cancer research, education and service and was held in conjunction with a National Bike-A-Thon endorsed by the ABC TV Partridge Family.

With the success of the local effort and the enthusiasm of the bike riders who have expressed their desire to participate in this event again next year, it is hoped that this will be a yearly event in the county to assist in raising the county's annual Fair Share Goal in the Cancer Crusade.

The local unit wishes to remind the sponsors of the Bike-A-Thon riders to send in their pledged funds to Mrs. Mary Alma Hudson, unit treasurer, or to Mrs. Ray Noble, Traveler's Inn Motel.

Town Council Votes To Turn On Christmas Lights December 1st

The Town Council of Appomattox held its monthly meeting on Friday night, Nov. 17, 1972, in the town office with Mayor Henry Pack presiding.

Members attending the meeting were Mrs. Calvin Robinson, Burke Guill, T. E. Conner, Robert Hubbard, Martin Webb, and Ivey Holland. Also present was William Slagle, Town Manager.

On a motion by the Street and Light Committee, council voted to turn on the Christmas Lights in the town on December 1, 1972. The same decorations will be used as last year.

Council voted, on motion by Ivey Holland, for the approval of a policy for all town employees which covers vacation, sick leave and holidays.

On a motion before the council, they approved the trade of the town police car, a 1969 Chevrolet, for a 1970 Chevrolet and will pay to Moses Motor Company $1,000.-00 difference in trade.

The Street and Light Committee reported to council that a street light had been placed between the home of Mrs. Edna Blackwell and the home of Clarence Mitchell on Lee-Grant Avenue.

William Slagle, Town Manager, reported on the progress of the building to house the communications equipment. The bid for materials has been awarded to the firm of J. E. Sears & Company. The Masonary Classes from Appomattox County High School, under the supervision of Mr. George Almond, are doing the work on the building for out-of-class experience and as a service to the town and county.

In other business before the council, the purchase of a commercial type buffer to be used in maintaining the town office in a more efficient manner was approved.

Numerous inquiries have been made to the council from interested individuals and groups as to possible use of the "Depot" on Main Street in Appomattox. This property has not yet been acquired by the town so no action can be taken.

C. S. Booth, Administrator of the Zoning Committee for the Town of Appomattox, appeared before the council with a request from St. Anne's Episcopal Church for a temporary building permit to place a building on the rear of the lot to be used as a temporary Sunday School Department. Council instructed Booth to grant the request.

Bloodmobile, November 28th

Donating a unit of blood is not a new thing for these fine people of Appomattox County who are pictured above. On the front row, from left to right, are Mrs. Lucy Harvey, Blood Program Chairman; Rev. Henry E. Riley, Jr., who has donated 7 pints; and Iris Cyrus who has donated 14 pints; on the back row, from left to right, are Ruby Mae Reynolds who has donated 8 pints of blood; Frances Paulette, a nine time donor; Kitty Godsey who has donated blood 27 times; Inez Patrick, a one-pint donor; and Geraldine Moore, a 14 pint-donor.

On Tuesday, November 28th, the Red Cross Bloodmobile will be in Appomattox for its regular visit and 99 units of blood are needed in order that Appomattox County reaches its quota. The Bloodmobile will be held at Liberty Baptist Church from noon until 6:00 p.m. and is sponsored by the Junior Woman's Club of Appomattox, with Mrs. Ruby Ferguson serving as Co-Chairman from the Junior Woman's Club. The following members of the club assist with each visit by getting the volunteer workers lined up for the visit: Edith Scruggs, Barbara Williams, Linda Stewart, Ann Robinson, Judy Deavers and Frances Lewis.

Eighteen year-olds are reminded that they can donate blood now without parental consent and they, along with citizens of our county, are urged to come out and support this worthy project.

Ladies from Spout Spring Baptist Church will furnish the food and be in charge of the canteen. DE-ICT classes from ACHS will furnish students to load and unload the mobile unit at the church. Kings Market will donate one-half gallon of ice cream to each donor and the Pepsi Cola Company will give each donor a quart bottle of Pepsi and will also furnish drinks for the canteen.

Mark your calendar, bring a friend, and plan now to donate a unit of your blood, that can provide life and health for others, on Tuesday, the 28th.

99.8% In Appomattox Co. Native Born

Compares With 83.5% In Nation

NEW YORK - What proportion of Appomattox County's population consists of native-born Americans and what part people who have come here from foreign lands to make their homes in the local areas?

To what degree has the new immigration law affected the makeup of the local population?

Because of changes in the law, eliminating the old quota system that had governed entry into this country for some fifty years, there has been a vast increase in the flow of immigrants.

According to the latest government figures, immigrants now account for about 17 percent of the annual growth in the United States population. In other words, immigrants make up 1 out of every 6 additions to the population.

By way of comparison, in the 1950's they represented only 9 percent of the growth, or 1 out of every 11.

In Appomattox County, on the basis of data compiled by the Census Bureau, the proportion of native-born Americans is relatively high.

No less than 99.8 percent of the local population consists of families who have been in this country for three generations or more.

Elsewhere in the United States the comparable figure is 83.5 percent and, in the State of Virginia, 94.5 percent.

As for those of "foreign stock," they constitute only 0.2 percent of the Appomattox County population.

This designation includes persons who were born in other countries and persons who were born in the United States to parents of foreign origin.

Since the new law was passed, in 1965, there has been a dramatic change in the number of people entering this country and the parts of the world from which they have been emigrating.

Whereas the bulk of them had been coming from Ireland, Canada, England, Germany and Scandinavia prior to that time, the new flow is mainly from Asia, Southern and Eastern Europe and the Caribbean.

In the 10 years ending with 1970, the number of legal entries was 3,322,000, which was nearly a third more than in the previous 10-year period.

The largest influx now is from Mexico, followed by the Philippines and by Italy.

Good Wishes at THANKSGIVING

Hear Ye, Fellow Americans! God Speed

Success in every venture. Big or small. Personal or civic. Worldly or spiritual. What better source of inspiration is there . . . than our country's forefathers? Remember them in prayer on Thanksgiving . . . their accomplishments have helped make this nation great.

Farm Bureau Outstanding

The 47th annual meeting of the Virginia Farm Bureau Federation was held at the Hotel Roanoke, Roanoke, Virginia, November 14-16, 1972. The convention established policies for the coming year.

Mrs. Virginia Martin and Mr. Earl Pickett, President of the Appomattox County Farm Bureau, attended as delegates from the county.

Appomattox County received three awards. Congressman Watkins M. Abbitt received the Distinguished Service to Virginia Agriculture Award. Mr. Pickett was presented an award for the county having attained its membership quota. District 12 received the award for each county in its reaching its quota.

On Wednesday night, November 15, Miss Lucy Lewis Martin, daughter of Mr. and Mrs. Carter Martin, was 1st runner up in the Miss Virginia Farm Bureau pageant. Miss Martin graduated from Appomattox High School in 1970. She now attends Longwood College and is a member of the honor society.

Miss Virginia Farm Bureau winner is Miss Jackie Gordon of Orange County. In case Miss Gordon cannot fulfill her duties, Miss Martin will become Miss Virginia Farm Bureau 1973.

Farm Bureau Members – It is time to renew your membership.

The Farm Bureau is working to get flood relief funds released to farmers effected by recent floods.

Mr. Walter Henry and Mr. Earl Pickett will submit the land use tax resolution to the Board of Supervisors.

Your tires and batteries can still be obtained at Appomattox Farmers Supply. Mr. Payne and Mr. Farrar are now the operators.

He is active in the YMCA, Voters League, Sunday School and Deacon of his Church. He is married to Velma P. Elliott, teacher at the Appomattox Intermediate School.

Christmas Parade Set For December 1st

There will be a Christmas Parade in Appomattox on Friday night, December 1st, at 6:30 p.m., according to an announcement from J. Franklin Vaughan, President of the Chamber of Commerce of Appomattox County.

The parade will begin at the Fidelity National Bank – Hillcrest Branch, and will go down Court Street to Main Street, stopping on Main Street for Santa Claus to greet the children.

Santa Claus, of course, will be the main feature of the parade and he will have candy for all children, compliments of the Jaycees of Appomattox County.

Leading the parade will be the Appomattox County High School Marching Band and Majorettes. Also participating in the parade will be local Scout Troops, Woodmen of the World Drill Team, a Shriner's Clown Group from Lynchburg, FFA Float, American Legion Marching Group, Appomattox County Rescue Squad, Appomattox Volunteer Fire Department, Gladstone Rescue Squad, Concord Rescue Squad, Concord Volunteer Fire Department and the Pamplin Volunteer Fire Department.

All persons and organizations interested in entering a float or participating in the parade are asked to contact Jim Pugh, Jr., at the Farmers National Bank.

No Garbage Pick Up On Thursday

There will be no garbage pick-up on Thursday, November 23rd, as the town employees will be observing Thanksgiving Day.

Your garbage will be picked up on Friday, November 24th. On this same day, the town truck will pick up your leaves. Please put leaves in plastic bags or in burlap bags and have them at the normal pick up point.

Post 104 Will Meet Monday

The American Legion Post 104 will meet at the Post Home on Monday night, November 27, at 7:30 p.m.

All members are urged to attend this meeting.

TWO APPOMATTOX BOYS ON BOARD USS AMERICA

A fire below the flight deck on the USS carrier America, the fourth 7th Fleet accident in seven weeks, briefly curtailed air strike operations but caused no injuries, spokesmen said Monday of this week.

On board the USS America, are two Appomattox boys, Johnny Lawson, son of Mr. and Mrs. Jack Lawson, and Joel Thomas Watson, son of Mr. and Mrs. Thomas Watson.

The 7th Fleet rules out sabotage, explaining that spontaneous combustion in insulation around the steam lines apparently caused the fire.
